## ASSOCIATION NEWS

### *LDC North Members Tour General Mills Distribution Center*

The Leadership Development Committee (LDC) North gathered at the General Mills distribution center jobsite to learn about the largest single building under construction in the country. Joe Thomas of Primco, Inc. and Jim Orr of Fox Contractors Corp. shared details about the building, including the quantities of materials being used on such a large project. When completed, it will be 1.5 million square feet and sit on 34 acres of land surrounded by 37 acres of concrete parking space.

Networking is an integral part of each LDC event. These functions are made possible, in part, by the financial assistance of association member companies. We would like to thank **Fox Contractors Corp.** and **Primco, Inc.** for sponsoring this event.

We would also like to thank our 2011 corporate sponsors, **Drewry Simmons Vornehm, LLP**; **E & B Paving, Inc.**; **Midwest Mole, Inc.** and **MJ Insurance, Inc.**, for helping to underwrite all LDC events.

The next LDC event is the Holiday Networking Event and Casino Night on Friday, December 2. Click [here](#) for details.

If you have questions about any of the LDC events, please contact ICA's Calvin Lee at (317) 472-6777 or [clee@inconstruction.org](mailto:clee@inconstruction.org).
