### *National Speaker Wows Audience*

On Friday, November 4, attendees gathered at the Evansville Country Club to hear nationally-renowned speaker Pat Williams, Senior Vice President of NBA's Orlando Magic, present "Champions Under Construction – Finding the Will to Win." He used personal stories from his many years in professional sports to present the 12 keys to being an extreme winner. Those keys are:

- |                           |                              |
|---------------------------|------------------------------|
| 1. Extreme Dreams         | 7. Extreme Positive Attitude |
| 2. Extreme Preparation    | 8. Extreme Long Term Goals   |
| 3. Extreme Focus          | 9. Extreme Perseverance      |
| 4. Extreme Passion        | 10. Extreme Competition      |
| 5. Extreme Work Ethic     | 11. Extreme Desire           |
| 6. Extreme Responsibility | 12. Extreme Team Work        |

Attendee evaluations were overwhelmingly positive, with the vast majority stating that the event exceeded their expectations. Comments included:

"Pat Williams was the best speaker I have seen in my 26 years in the industry."

"Motivated me to strive for excellence."

"This was the best we have had."

"Just excellent!"

"Fantastic event. Best speaker I have ever seen at an ICA event."

"This has been the best event yet. Very comprehensive content."

The next Southwest Construction Roundtable program will be a Monte Carlo Networking event in January 2012.
