PRESS RELEASE  
For release: June 15, 2009

**Four Additional Directors Selected to Lead ICA**

INDIANAPOLIS, IN -- Indiana Construction Association (ICA) recently announced the expansion of its Board of Directors to eighteen members by adding Todd Fredrick, Michael T. McCann, Cheryl P. Melancon and Bruce Wylam.

Mr. Fredrick has been president of Primco, Inc. since 1998. He is a graduate of Purdue University-Fort Wayne, with a degree in Civil Engineering Technology and Construction Management. Todd has served as a member of both Indiana Constructors, Inc. (ICI) and Build Indiana Council (BIC) Board of Directors. A member of the ICA/INDOT Joint Cooperative Committee since 2005, Todd has also served as the vice president of the Indiana Chapter of the American Concrete Pavement Association.

Mr. McCann is senior vice president and COO of Pepper Construction Co. of Indiana, LLC and has more than 25 years of progressive experience with the company. Mike serves on the IUPUI Construction Engineering Management Technology (CEMT) Advisory Board and is a part-time instructor for the university. Past board memberships include positions with Metro Indianapolis Coalition for Construction Safety (MICCS) and Associated General Contractors of Indiana. In addition to being a LEED® Accredited Professional, Mike is also a member of the International Council of Shopping Centers (ICSC) and the Lean Construction Institute.

Ms. Melancon has been president and owner of The Hoosier Company since 1988. She served on the ICI Board of Directors and was its president in 2000. She is a past member of the BIC Board of Directors and is currently serving as Treasurer of the Build Indiana Political Action Committee. She has served on the Indianapolis Chamber of Commerce Board of Directors and as Chair of the Indianapolis Chamber Political Action Committee. A native of Bloomington, Cheryl received a Bachelor of Science degree in Business from Indiana University.

Mr. Wylam is vice president of Client Services for Hunt Construction Group. A 1981 graduate of Purdue University with a Bachelor of Science in Building Construction Technology, Bruce has over 27 years of experience in the construction industry. He currently oversees Hunt's delivery of all development and preconstruction phase services to its clients, including site management planning, scheduling, cost estimating and budgeting, value analysis and constructability consulting. Bruce is a member of the Dean's Industry Advisory Council at the Purdue School of Engineering and Technology at IUPUI, and serves on the board of Finch Constructors, Inc.

"We are thrilled to have these individuals join our Board of Directors," said Charles V. Kahl, ICA President. "We have a strong board made up of experts in the construction industry who understand the current challenges and opportunities we face. For the remainder of 2009, the executive leadership and the Board of Directors of ICA will continue to focus on expanding the association's presence and influence across the state."

---

**About ICA**

Indiana Construction Association (ICA) is the state's largest and oldest construction trade association. The core purpose of ICA is to enhance the image, well-being, economic stability and political strength of the Indiana construction industry for the success of its membership. ICA represents more than 300 member firms employing more than 45,000 workers.
